## GLENDALE RESEARCH HOSPITAL'S FORMAL OPENING TAKES PLACE ON SUNDAY; TO HOLD SPECIAL PROGRAM

**Public Invited to Attend Ceremonies and Inspect New Institution; Exercises Begin at 1:30 p. m.**

The Glendale Research Hospital will open its doors next Sunday, May 8, when its formal opening will take place. This function will be open to all and Glendale en masse is invited to be present. This invitation is not confined to those who have financially supported the new institution, but is extended to all and, again, is not to the people of this city alone, but it is hoped by the management that any and all interested may be present, not only for the encouragement of this particular hospital enterprise, but as an expression of their interest in hospitals in general.

A program of exercises will begin at 1:30 p. m., consisting of addresses by prominent people and musical selections. This will be followed by a general inspection of the hospital.

The hospital directorate happily has taken advantage of a very beautiful location on East Lexington drive, just east of Adams street. Attractive Piedmont Park and its driveways serve as an entrance to the buildings, while beyond them at no great distance are the inviting Verdugo hills, forming a background from a scenic standpoint more alluring than can be described.

The advantages to those requiring treatment in these surroundings cannot be overestimated. Its restfulness and absolute quiet will prove of the greatest help to invalids. The clear fogless atmosphere here means much also, and the opportunities for outdoor existence on all sides of the institution must be mentioned. Being a one-story building ready access to the outdoors can be had from any of the rooms.

### Perfectly Sanitary

Much expense and effort has been undergone to equip this hospital with a perfect sanitary equipment. Its system of sterilization is most modern. Dressings are not alone rendered sterile, but every dish, basin or article which reaches the patient must reach him as nearly absolutely sterile as human and mechanical means can make it.

The operating rooms have been extravagantly praised by competent authorities who have visited them and their equipment is declared to be most excellent.

Glendale, in fact, southern California, should be proud of the research facilities placed at their disposal. The X-ray, clinical and pathological laboratories are thoroughly provided with scientific equipment, and as rapidly as finances are available, increased research facilities will be added. In this respect, the hospital as an institution requires that its patients receive every advantage from the use of these requirements in the field of diagnosis, and such use is incumbent on its physicians.

### For Patient First

First of all, this hospital is to be conducted in the interests of the patient. This side of hospital management, the public is assured, will be emphatically demanded by the directors. Medical men are provided with every opportunity for intelligent diagnosis and management.

(Continued on Page 6.)

## NEW RESIDENCE FOR C. R. DAVIDSON TO START MONDAY

**ABOUT \$6000 TO BE SPENT ON HOME IN WOODLANDS;**

**T. A. POTTS TO BUILD**

G. R. Davidson, who formerly resided at 327 Fairfield avenue, has sold his home there and moved to his property at the corner of Canada boulevard and Capistrano drive where he and Mrs. Davidson are domiciled in a double garage until a new home can be constructed. Carpenters are expected to commence work Monday on the new house which will cost in the neighborhood of \$6000.

W. L. Twining, manager for the F. P. Newport company, is moving into his beautiful new home at 1900 Canada boulevard, one of the most sightly places in the entire Woodlands tract.

T. A. Potts of Bonita and El Rito will also start building a new home within a few days, it is stated.

### SAYS GERMANY MUST DISARM

LONDON, May 5.—Germany must be compelled to disarm so France can take her eyes off the frontier, Premier Lloyd George told the house of commons today, in announcing the allied reparations ultimatum to Berlin.

## PLANS FOR SEWAGE DISPOSAL SYSTEM ARE DISCUSSED

**CITY MANAGER GIVES MORE INFORMATION IN REGARD TO PROBLEMS HERE**

Here is the second and concluding installment of the statement issued by T. W. Watson, city manager, relative to sewage disposal plans:

By T. W. WATSON  
City Manager of Glendale  
Large cities of the United States and Europe which have recently installed systems for the disposal of their sewage have given due consideration to the fertilizer value of the sewage, and have favored plants which extract the greatest amount of nitrate from it and at the same time eliminate objectionable odors.

Inasmuch as it is going to require such a large outlay to carry the Glendale sewage to the ocean by means of Los Angeles sewage disposal system as now operated, and involve annexation as well, it would seem that the city of Glendale should give serious consideration to the development of some practical plan of local disposal that would permit recovering all that there is in the sewage of commercial value. It is quite possible that such plan would cost less both for installation and operation than an outfall sewer to the ocean, and that the cost of operation would be greatly reduced by the recovery and sale of solids and the water effluent. Our commission will, no doubt, give this method ample consideration.

**Four Methods of Disposal**  
Generally speaking, there are four methods of sewage disposal used by cities of the United States; the outfall system, which wastes the entire amount of the sewage by pouring it into a body of water; the filtration system in which the sewage is run through beds of gravel; the treatment of the sewage in septic or Imhoff tanks, in which the water effluent is generally wasted into rivers, lakes, or oceans, but is sometimes used for irrigation purposes; and the activated sludge system, in which the sewage is treated in tanks, the heavy particles screened off, and air is forced through the liquid elements remaining, further salvaging solid particles for use as fertilizer. A greater amount of nitrate is recovered from sewage when the last-named system is used and it has been the experience of engineers in cities using the activated sludge system that the effluent, thus treated with air, has no objectionable odor.

It is certain that it is going to require considerable time to decide upon the best plan and method of general sewage disposal and that after plans have been decided upon additional time will be necessary for public discussion thereof for the authorization of bonds and the construction works called for thereby. In the meantime we have a condition in the business center that requires immediate attention. As stated before (Continued on Page 5.)

## JOHN ROBERT WHITE TELLS ACTION OF LEGISLATURE

**GOVERNOR STEPHENS TO BE FORCED TO CUT EXPENSES, ASSEMBLYMAN BELIEVES**

John Robert White, assemblyman for the sixty-first district, has returned from Sacramento to his home here, the legislature having adjourned last Saturday. In speaking of the accomplishments in the administration's program, he stated that the reorganization plan which he fostered in the assembly was put through with the exception of the professional standards department.

The lobby of doctors, dentists, architects and others who would have been affected by the change, in that a layman would have headed one consolidated board, was so powerful that the various professions will retain their independent units in the matter of state standards, he said.

The proposal to do away with the fish and game commission and have its work come under the head of the state department of agriculture also failed, thousands of sportsmen, including several hundred from Glendale, raising a mighty protest against such a consolidation, according to Mr. White.

### Up to Governor Stephens

"The legislature did effect the reorganization of the finance, agricultural, institutional, educational, labor and industrial relations, civil service and public works department, making a saving of about \$278,000 in the expense of the administration biennially.

"However, the legislators voted somewhere in the neighborhood of \$95,000,000 appropriations and according to the state's fiscal agents California only has \$83,000,000 revenue for the biennium. For instance, they gave the state university \$10,200,000 or all that it asked. Then they gave other institutions that which was recommended as necessary. And when the various senators and assemblymen would present their bills for local appropriations, the legislature voted them, too. Now it is up to Governor Stephens to do some pruning."

### Proposed Junior College

Regarding the junior agricultural college which Mr. White sought for the San Fernando valley, he stated that the whole matter of location has been left to the consideration of a committee which the governor is to appoint. Riverside county is making a strenuous fight for the new institution.

San Francisco and the cow counties' representatives refused to carry out the mandate of the constitution in regard to reapportionment, said Mr. White as the southern California counties were the only ones to benefit by the shift in population.

"The senate committee, to which my direct primary law was referred, said Mr. White, defeated the measure by never reporting it out after it had passed the assembly, 53 to 25."

## Local Theatre Is Part Of Million Dollar Deal

Jensen's Palace Grand theatre is a part in a million-dollar deal now pending by which Turner & Dahnken, San Francisco theatrical magnates, will control a chain of houses in southern California similar to the one they have established in the Bay Cities.

It was stated this morning by Robert C. Jensen, manager of the local house, that he has been devoting a week's time to the consummation of the sale of the Jensen theatres which include the Theatatorium in Los Angeles, Jensen's Raymond and Jensen's Pasadena theatres as well as the Palace Grand here. He expects the deal will be closed by tonight.

Other theatres which already have been bought by Turner & Dahnken include the Strand and Florence in Pasadena and the Alvarado and De Luxe in the Westlake park district of Los Angeles. It is understood that in the purchase of Henry Jensen's theatres, of which Walter and Robert Jensen are managers, the new circuit will come into possession of valuable film franchises similar to those they control in San Francisco. They also will control all of the photoplay houses in Pasadena by this merger. It is reported that their booking interests will be affiliated with the Marcus Loew and Ackerman and Harris circuits.

### STORM ON ATLANTIC COAST

NEW YORK, May 5.—Gales and torrential rains lashed the Atlantic coast today following a stormy night in which the wind blew seventy-five miles an hour, doing more than \$1,000,000 damage in New York and vicinity.

## Today's World News In Brief

(By United Press to Glendale Evening News)

### GRAPE GROWERS START CAMPAIGN AGAINST WRIGHT ACT

SAN FRANCISCO, May 5.—The California Grape Growers Protective association today was launching its fight against the Wright prohibition enforcement act, passed by the legislature.

### UNITED STATES IS INVITED TO TAKE PART IN COUNCIL

WASHINGTON, May 5.—The state department has been advised that an invitation for the United States to be represented in the allied supreme council is being transmitted to this government. This invitation, however, has not yet been actually received.

### WOMAN FREED BY JURY ON CHARGE SLAYING HUSBAND

CHICAGO, May 5.—Mrs. Thomas Rowland was free today of the charge of murdering her husband, prominent dentist. The coroner's jury late yesterday decided that Mrs. Rowland shot her husband in self defense and therefore was not guilty of murder.

### U. S. MAIL AIR PILOT KILLED WHEN PLANE MAKES DIVE

OMAHA, May 5.—Air Mail Pilot Walter M. Bunting was instantly killed this morning at Rock Springs, Wyo., when his machine went into a nose dive shortly after he left the air mail field. Bunting's body was badly crushed and later burned when the plane took fire. The machine was totally destroyed.

### REPORTS STORM AT SEA OFF SOUTHERN CALIFORNIA

LOS ANGELES, May 5.—Warning of a storm at sea off the southern California coast was given in a message from San Francisco to the local weather bureau today. "A storm, apparently of a decided character is central at sea off the southern California coast," said the message, from the San Francisco weather bureau. "Precautionary measures should be taken."

### CANTU FORCES ARE NOW IN POSSESSION OF LA HUERTA

SAN DIEGO, May 5.—Cantu insurgents are in possession of La Huerta, Lower California, forty-five miles from this city, according to advices from Tecate, four miles away and nearer the United States border. La Huerta was taken yesterday after federal troops from the Tecate garrison were worsted in an engagement near La Huerta. The Tecate garrison troops today are preparing to resist an attack there.

### CALIFORNIA'S BABY CROP ESTABLISHES NEW RECORD

SACRAMENTO, May 5.—California's bumper crop for 1920 was the baby crop. It broke all previous records, according to statistics compiled by the state board of health. It totaled 67,198 babies or approximately 215 tons. The 1919 baby crop was 56,261 babies or approximately 196 tons of humanity. The birth rate was 19.3 for every thousand inhabitants and the death rate 13.5. Condition of the 1921 baby crop was declared good.

### MAN, SOLE SUPPORT OF SIX, IS MYSTERIOUSLY KILLED

CHICAGO, May 5.—James McDonough, sole support of six brothers and sisters, was shot through the heart early today. McDonough, an employee of the Ira J. Mix Dairy company, was delivering milk on a south side route. Neighbors heard two shots and found the driver dead in his wagon. Police are working on the theory that one of McDonough's rivals for the hand of Thelma Shomo, south side belle, did the shooting.

### U. S. OFFICIAL INDORSES PACKER CONTROL LEGISLATION

WASHINGTON, May 5.—Packer control legislation, the subject of sharp fighting in the last congress, today was indorsed by Secretary of Agriculture Wallace. Appearing before the house agriculture committee Wallace declared that the legislation would be "desirable" now. Many of the complaints against the packers were "fully justified." Wallace suggested that packer regulation be consolidated in one bureau of the government instead of being distributed between the department of agriculture and the interstate commerce commission as provided in the pending bill.

### BRITISH AND ITALIAN TROOPS DIE IN POLISH ATTACK

BERLIN, May 5.—Organized Polish forces have seized large areas in upper Silesia, killed a number of British and Italian soldiers and forced resignation of the British plebiscite commissioner, according to advices here today. The commissioner in resigning declared the allied troops were not numerous enough to withstand the Poles and guarantee the safety of German residents. Press dispatches today indicated the situation was quieter with the Poles in possession of the regions they have seized. The Polish force was estimated at from 15,000 to 20,000 well armed and equipped with light artillery. The small Italian contingent was said to have suffered numerous casualties and the British sustained a few losses.

### ALLIES DEMAND GERMANY ACCEPT FINAL TERMS SOON

LONDON, May 5.—The allies today served Germany with an ultimatum demanding acceptance of their reparations terms by May 12. The allies will proceed on May 12 to occupy the Ruhr valley and to take other military and naval steps if Germany does not accept unequivocally, according to the ultimatum. Occupation of German territory will continue as long as Germany refuses to fulfill the conditions laid down by the allies. The note, signed by members of the supreme council and handed to German Ambassador Sthamer shortly before 11 a. m., today, stated that the allies will proceed immediately with preliminary measures for occupation of the Ruhr valley. The detailed financial demand, prepared by the reparations commission, it was stated, will be handed the German mission in Paris by tomorrow. It prescribes the time and the methods of discharging the German debt which totals about 6,750,000,000 pounds. Within the six days following receipt of the reparations, Germany is called upon to declare her determination to execute her obligations without reservation or condition.

## AMERICAN IDEALISM AID TO COUNTRY, SAYS SPEAKER

**MISS ELIZABETH VERMILYE TALKS AT FORUM LUNCHEON GIVEN BY C. OF C.**

"Idealism, the birthright of this nation, is also fighting for the soul of America," declared Miss Elizabeth Vermilye, after explaining at the Chamber of Commerce Forum luncheon this noon how materialism and commercialism now are in a finish fight. She was heartily applauded by the three score present. Dr. Caroline Payne Jackman presided.

Miss Vermilye made a plea for the ideals on which this country was founded, those of the home, liberty not license, equality of opportunity, freedom to worship God according to the dictates of one's conscience, respect for the church, the school, the law and the parents and free education.

### Policies of the United States

In discussing the policies of the United States she stated that there have only been two in the past which have lived. They are the Monroe doctrine and the open door for China. Now we have the problems of the shut door for America, labor and women confronting this country, according to the speaker and she made it clear that there was some doubt as to where these would lead.

The United States is no longer isolated as it was in the days of Washington and this is another great problem to be settled—whether this country shall take a leading place in the world's affairs.

Equality of the women will make a vast difference in the future, although she hopes it will be for something better and with labor now in the saddle in this country, what sort of horse it will ride is another serious problem, according to Miss Vermilye.

Overcoming all of this, however, she believes the day is dawning when an era of peace shall reign and then the United States will be the first to scrap its navy and lay down its defenses, for this nation is not a lover of militarism and never has been, she declared.

### Petition Is Circulated

A petition was circulated during the luncheon hour requesting the Pacific Electric to stop all its trains at Colorado, San Fernando and Los Feliz boulevards and Park avenue.

Secretary James M. Rhoades had tickets for the next Forum dinner two weeks from tonight passed among the audience. Nelson O. Rhoades will speak on the Mexican situation. Mrs. Ella W. Richardson announced a lawn festival for the benefit of Monte Vista lodge to be held at her former home, 525 South Central avenue on May 14, and Roy L. Kent invited members of the Chamber to attend the opening of the new Glendale Research hospital Sunday afternoon.

## Dr. Henry Harrower To Erect Another Unit

Plans for another unit of the Dr. Henry Harrower laboratories to cover the entire frontage of his property on Broadway, at Belmont street, are ready for the construction crews to commence work, it is understood. A permit for this building is expected to be issued this week-end and will add materially to May's total which reached \$75,650 at noon today. The year, to date, shows \$1,283,991 in new buildings.

Building permits issued during the past twenty-four hours were as follows:  
L. Cline and A. S. Bursen four-family flat and garage, 126 North Orange \$15,000  
Wm. E. Roake, garage building, 924-26 South Brand boulevard 3,800  
Harry Hague, 5 rooms and garage, 329 W. Magnolia 3,000  
Sophia R. Waters, 3 rooms, 921 East Colorado street 1,600  
Mrs. Carrie Toot, garage, 543 W. Myrtle street 300  
Allen Davenport, garage, 368 Myrtle street 250

## Total Rainfall For Season 13.02 Inches

Rainfall this morning—something unusual to California for the month of May, of course—amounted to about 30 hundredths of an inch, bringing the season's total to 13.02 inches as compared with 16.01 last year at this time.

Promptly at noon the shower stopped, although during the morning the gutters were filled to overflowing and the hills and flowers which were shriveled by last week's heat are blooming again in an unprecedented manner.

## LOVE IN WINTER

"Will you care for me all the  
time?" sighed the bride.  
"I'll do my best, Nerissa," said  
the groom, "but part of the time I  
gotta care for the furnace."

## THEN SHE'LL NEED SHOES

"Father, I need a new riding  
habit."  
"Can't afford it," he growled.  
"But, father, what am I to do  
without a riding habit?"  
"Get the walking habit."

## Locals And Personals

J. W. McCoy of 216 North Mary-  
land avenue has returned from a  
business trip to San Diego.

Mrs. C. C. Cooper of 302 North  
Central avenue and daughter, Miss  
Emma Laura Cooper, spent the week  
end with relatives in Los Angeles.

Cora Richardson and Ella Bald-  
win are now making their home  
with Mrs. L. W. Elliot, 353 Oak  
street.

Mr. and Mrs. W. R. Vanderwood  
of 619 North Kenwood street visit-  
ed relatives in Rialto and Redlands  
recently.

Mrs. A. M. Beamon of 203 North  
Maryland avenue, who has been  
quite ill for the past month, is now  
nearly on the road to recovery.

Mrs. C. E. Day of 130 South Bel-  
mont street will leave this week-end  
for Taft where she will visit at the  
home of her son, W. O. Redding.

Miss Evelyn Hollingsworth of Los  
Angeles was visiting her parents, Mr.  
and Mrs. F. L. Hollingsworth of 462  
Riverdale Drive, yesterday.

Mrs. Sidney Dell of North Louise  
street spent Tuesday in Pasadena  
visiting former Illinois friends who  
are residing in that city.

Miss M. Johnson and sister Mar-  
guerite of 724 South Louise street  
have just returned from Davenport,  
Iowa, having completed a theatrical  
tour.

Mrs. L. W. Elliot, 353 Oak street,  
and her son Paul entertained Mr.  
and Mrs. Charles Hill of Berkeley  
recently. The visitors from the  
North were much impressed with  
Glendale.

Mr. and Mrs. Michael Paonessa,  
who have been residing in Victor-  
ville and Lancaster for several years,  
returned to Glendale a fortnight ago  
and purchased a residence at 1148  
North Louise street.

Mr. and Mrs. F. L. Hollingsworth  
of 462 Riverdale Drive, accompanied  
by their house guests, Mr. and Mrs.  
C. W. Hollingsworth of Chicago, will  
motor to San Diego today to spend  
the week-end.

Master Billy Bennett of Oxnard is  
visiting his aunt, Miss Lila Shea of  
1608 South Brand boulevard, this  
week. He motored down from the  
beach town with his Uncle Jamie the  
first of the week.

Mrs. Ray Galvin of 1344 North  
Columbus avenue entertained a num-  
ber of little friends of her son, Jack  
Galvin, Monday afternoon in cele-  
bration of his seventh birthday an-  
niversary. Ethelwyn Kent gave  
several delightful recitations and the  
little folks played games. At the  
close of the afternoon refreshments  
were served. The dining table was  
decorated with Cecil Brunner roses.  
A large birthday cake and pink ice-  
cream were much enjoyed by the  
children. Hand-painted place cards  
marked the places.

## Locals And Personals

The credit committee of the  
Chamber of Commerce will meet at  
noon tomorrow at the White Inn.

John W. Garner, who has been in  
charge of the collections of the  
escrow department of the First Na-  
tional bank has resigned because of  
ill health. He will probably spend  
the summer with relatives in Port-  
land, Oregon, and return to Glen-  
dale in the fall. Miss Sue Thomas  
has also resigned her position at the  
First National bank and will leave  
the 15th inst. for her former home in  
Pennsylvania.

Mr. and Mrs. B. L. Cline of 134  
North Orange street entertained at  
dinner yesterday a number of rela-  
tives and friends from out of the  
city. The special guest of honor was  
Mrs. Helen Milne of Hawaii, who is  
en route to Scotland. Mrs. Milne is  
Mrs. Cline's cousin and has a large  
sugar plantation in Hawaii. Other  
guests included Mrs. Milne's father,  
H. S. Eaton of Fresno, F. L. Cran-  
dall and son Gale and Mrs. M. T.  
Smith of Long Beach, E. D. Barnett  
of Santa Ana, P. Orr of Compton,  
Mrs. Clara Runions of Riverside and  
Mrs. E. H. Marlatt and daughter  
Barbara and Mrs. C. Newcomb of  
Glendale.

Chapter AH, P. E. O., held its  
regular meeting Tuesday, May 3, at  
the home of Mrs. Charles A. Barker,  
1415 South Glendale avenue. Lun-  
cheon was served in the arbor of the  
beautiful grounds surrounding the  
home. In the afternoon Mrs. Mar-  
guerite Turk gave a very interest-  
ing talk on Italian lakes, illustrated  
with views which she obtained while  
living in Italy. The business meet-  
ing followed, presided over by the  
president, Mrs. Sina Van Etten.  
This, in turn, was followed by the  
hearing of convention reports. The  
next meeting, which will be the reg-  
ular luncheon, will be held May 17  
at the home of Mrs. Abbie Webster,  
South Central avenue, with Mrs.  
Amelia Watters and Mrs. Mildred  
Kimball as assisting hostesses.

Mrs. Frank Salmacia of 361 West  
California avenue entertained a num-  
ber of old time friends at luncheon  
today. The color scheme used was  
pink and white, Cecil Brunner roses  
being used for decorations through-  
out the house. The invited guests  
were Mrs. R. Sullivan and Baby Gale  
of Fullerton, Mrs. C. Pappert of San  
Diego, Mrs. D. Daze and Baby Wil-  
liam, Jr., Miss McMahon, Mrs. G.  
Barrara, Mrs. G. Champion, Miss  
Haley, all of Los Angeles, Mrs. W.  
LeSage and little daughter Rose Mary  
of Pasadena, Mrs. P. Macrauff and  
little daughter Regina, Miss Elsie  
Degner of Glendale, the hostess Mrs.  
Salmacia and little daughter, Mary  
Margaret.

## Summer Demands Its Own Kind of a Corset

—You cannot afford to be care-  
less about your summer cor-  
set, for materials are light and  
styles are slender. They must  
have a perfect foundation if  
they are to retain their smart  
style.

—Among our stock of NuBone  
and other leading makes of  
corsets you will find the latest  
models in new, firm, fine ma-  
terials that are cool and yet  
will keep their shape in Plain  
Brocades, and fancy patterns  
in white, pink and blue—as  
well as blue and pink combi-  
nations.

—Our corsetier will gladly  
suggest a style which will in-  
sure you a well poised, grace-  
ful figure.

—We also have a complete  
stock of Brassieres.

**THE CORSET SHOP**

207 E. Bldway. GLENDALE

## GET AHEAD!

THE man or woman who is  
trained in the essentials of  
the business world naturally is  
the one who is in line for rapid  
advancement. They are the  
kind of people big business men  
are seeking daily.

Our Business School will give  
you that foundation by putting  
you through a thorough course.  
Consult with us and we shall  
tell you what you're best fitted for.

**Glendale  
Commercial School**  
Glendale 85 224 So. Brand

## May Festival Friday For Central School

A May festival is being planned to  
take place at the Central avenue  
school tomorrow afternoon, begin-  
ning at 1:30 o'clock. The program  
will be given on the lawn in front of  
the school and the first part will  
consist of a May pole dance, May  
queen, dramatic activities and games  
by the children of the kindergarten,  
first, second and third grades.

The second part of the program  
will consist of a cantata by the  
fourth, fifth, and sixth grades, called  
"The Carnival of the Flowers." This  
cantata has many choruses and four  
solo parts. "The California Poppy,"  
Janice Brown; "Strawberry Bos-  
som," Rose Bagley; "Yellow Jas-  
mine," Evelyn Rockwell; "Invitation  
to the Breezes," Elizabeth Woltman.  
Violet, daisy, water lily, asters and  
other flowers will also be there.

May festivals at the schools have  
always been very popular, and it is  
anticipated that a large number of  
people will attend. There will be  
no admission charge.

In New York City, the Automobile  
Club of America, organized in 1899,  
is the first motor club in this coun-  
try. The association now owns and  
operates the largest system of ga-  
rages in the world, with accommo-  
dations for over 1000 cars. It has  
repair shops for mechanical work,  
upholstery, and painting, and con-  
ducts an accessory and supply store,  
all for the benefit of members.

An ancient law exempting the  
homes of the working class and pub-  
lic employees from taxation has been  
revived in Rio de Janeiro in an ef-  
fort to relieve the housing shortage.

## WOMAN'S AUXILIARY TO GIVE PROGRAM FOR VETERANS

VARIED ENTERTAINMENTS TO  
BE FEATURED BEHALF OF  
THORNYCROFT BOYS

The Woman's Auxiliary of the  
American Legion, Glendale Post 127,  
have put into operation their plans  
of furnishing regular and varied en-  
tertainment to the disabled veterans  
of the late war who are under treat-  
ment at Thornycroft.

Each week some member or group  
of members of the Woman's Auxil-  
iary take it upon themselves to pro-  
vide some form of pleasure to the  
men and try to make their days of  
waiting less tiresome. The forms of  
entertainment will vary from week  
to week and the men in the hospital  
look forward eagerly for this break  
in what is necessarily a somewhat  
monotonous life.

At "The Little Princess"  
For this week, Mrs. Pearl Keller  
Brattain is entertaining the men at  
the production of "The Little Prin-  
cess," which is to be given on Fri-  
day at the Palace Grand theatre.  
Mrs. George E. Clayton of 200 South  
Orange street is assisting and has  
charge of the transporting of the  
men to and from the theatre.

This work of the Woman's Auxil-  
iary is something that should receive  
the whole-hearted support of every-  
one in the community and when cal-  
led on by the ladies of the Auxiliary  
for help, people should not allow  
themselves any excuse for refusing  
to aid them, it is earnestly urged.

## Wednesday Club Meets With Mrs. C. H. Sanders

The Wednesday club met yester-  
day at the home of Mrs. C. H. San-  
ders, 1320 North Brand boulevard.  
Members present included Mrs. J. F.  
Hearshaw, Mrs. Wm. Gibson, Mrs.  
G. D. Roach, Mrs. H. L. Clotworthy,  
Mrs. Wm. Nash, Mrs. Charles Glover,  
Mrs. Charles Freshman of Los Ange-  
les, Mrs. Albert Muhleman and the  
hostess, Mrs. Sanders. The guest for  
the day was Mrs. Wm. Bell.

A cafeteria luncheon was enjoyed  
at noon. The afternoon was devoted  
to needlework and social conversa-  
tion.

The next meeting of the Wednes-  
day club will be at the home of Mrs.  
Clotworthy.

All Seats, 55c, Including Tax; Children, 28c

Help a Worthy Cause

## GLENDAL E T H E A T R E PROCEEDS GIVEN TO AID CHURCH

HOUSE OF WORSHIP FOR FILM  
FOLK AT HOLLYWOOD GETS  
PORTION OF RECEIPTS

Seventy-five per cent of the pro-  
ceeds of today's performances at the  
Glendale theatre will benefit "The  
Little Church Around the Corner,"  
to be erected in Hollywood for the  
film folk. It is sponsored by the  
Rev. Neal Dodd, who will be present  
in person tonight, with Robert Mc-  
Kim, the greatest villain of the  
screen who, in his handsome, po-  
lished and subtle way, gives another  
of his powerful character delineations  
as "Rulon Shepler in Benjamin  
B. Hampton's great photoplay of  
Harry Leon Wilson's novel which  
will have a run of three days at the  
Glendale.

As is the case with other charac-  
ters of the novel, the role played by  
Mr. McKim is a very human one. He  
is the villain, no mistaking that, but  
his wickedness is natural, and hu-  
mor enters the characterization,  
which Mr. McKim handles with the  
same fine touch that he gives his  
tragedy roles.

**Has Elements of Comedy**  
In "The Spenders" his exit is not  
one of those dignified deaths which.  
It is said, give him sympathy at the  
eleventh hour. It has the elements  
of comedy about it, and yet the way  
he enacts it is typical of his polished  
histrionic art.

Lyons and Moran in the scream  
sensation of the year, "Blue Sun-  
day," and the regular news views and  
other features, will have Mrs. Vir-  
ginia Freeman, dramatic soprano, as  
an added attraction.

Everyone now is clipping coupons  
from The Glendale Evening News,  
and six consecutively numbered en-  
title the bearer to a center section  
seat any night except Friday or Sat-  
urday or days when the free list is  
suspended.

**MARINE CONFERENCE HALTS**  
WASHINGTON, May 5.—Negotia-  
tions between the government and  
leaders of the striking seamen today  
were completely at a standstill.

The persons who thought that con-  
ditions in Russia could not be worse  
are playing the part of poor prop-  
hets.

# Quality GROCERY and MARKET

Brand and Wilson Glendale

## Glendale Is Growing

And surprisingly fast as our delivery records  
show, and as the town grows, just so does our  
patronage, as there are more people to eat—  
more people to be served.

This store is making every effort, and our cus-  
tomers tell us we are succeeding, to expand  
our business and service to properly take care  
of all additional patronage.

Our immense business has been built to its  
present proportions through the fact that we  
sell only Quality Groceries and give each pat-  
ron prompt efficient delivery service.  
Your patronage, too, will be appreciated if you  
desire our Super-Service.

he looks cheap.

MATERIAL MATTERS  
SERMON SUBJECT  
OF REV. BROWN

USES PARABLE OF RICH MAN  
FOR TEXT; HIGH SCHOOL  
STUDENTS INVITED

(Continued from Page One)

gelist said:  
"This is one of the greatest par-  
ables of the Christ. He had been  
preaching to a large multitude; so  
many that they trod one upon an-  
other. Christ, the great preacher  
and teacher, is dealing with great  
themes—of eternal things; and the  
great audience is swinging as the  
pendulum of a clock between the  
things that are seen and unseen.

To Material Matters  
"But right in the midst of this  
solemn discourse a man interrupts  
to ask if Christ will help him in the  
matter of collecting his portion of an  
inheritance from his brother. This  
reference to mere material matters  
so impresses the Christ that he gives  
utterance to the parable just read  
this evening. The central figure was  
a certain rich man, an owner of many  
acres. God's sunshine and God's  
rain had warmed, watered the soil  
and brought forth an abundant har-  
vest. He might have recognized in  
this the hand of God, but he did not.  
He disregarded alike his obligations  
to both God and man; had no  
thought or desire to serve anyone  
but himself.

"But in the midst of his self-sat-  
isfied soliloquy God solemnly speaks  
to him, saying, 'Thou fool, this night  
shall thy soul be required of thee.'  
He was the champion fool. This  
word should have been written over  
his doorway, inscribed on his coffin,  
engraved on his tombstone, for he  
lost his opportunity; left his wealth  
and went out empty handed. Is there  
an application of this parable to us  
this night in Glendale? I answer  
many, many ways.

"Let me call your attention to  
three ways that men and women of  
Glendale are fooling themselves, just  
as this certain rich man of the par-  
able did.

"First—He seemed to believe that  
those material things that he ac-  
quired to him were his. Those acres,  
those crops, those barns, those  
houses; all for his individual and  
selfish use. Are there any men in  
Glendale that have this narrow  
vision?

"If it were not a tragedy it would  
be amazing to see the way that men  
strut and talk of 'my possessions,'  
and it is amazing oftentimes how little  
it takes of these things to entirely  
engross a man's attention and con-  
versation; forgetting that the earth  
is the Lord's and the fullness thereof  
—the cattle on a thousand hills. In  
their scramble for reward there is  
great danger that men will get money  
drunk and money damned. Money  
is a good servant, but a cruel master.  
To make a living is all right, but  
too low an aim; make a life—a life  
for Christ.

Makes Second Mistake  
"Second mistake of the man in the  
parable. He seemed to believe that  
those possessions could satisfy his  
immortal soul. He talked to it in  
the language of material things, but  
it would not silence. And men and  
women of Glendale are making the  
same mistake. Everyone was made  
for God—children of eternity, and I  
warn you tonight that you will never  
be happy or satisfied until you come  
to Christ. God never made a man  
with so small a soul that gold would  
satisfy, or a woman with a soul that  
pleasure could satisfy and silence.

"The third folly of this man was  
in thinking that all time was his.  
'Many years,' said he; but 'Now,' said  
God; and there was a great stir the  
next morning as his dead body was  
found; and this is the great mistake  
that we are making in Glendale—  
thinking and acting and talking and  
planning just as though we were al-  
ways to live here.

"It will only be a short time until  
other feet will walk these streets of  
Glendale; other hands perform the  
tasks, and we shall be in the city of  
the dead. Only as we make life  
brighter, homes happier through  
Christ is the life worth living."

Many accepted the invitation to the  
inquiry room.

Dr. Benjamin Katz Is  
Now With M. Levine

Dr. Benjamin Katz, who has been  
visiting Mr. and Mrs. M. L. Bartel at  
their home at 822 East Lomita ave-  
nue for the past month, is moving  
today with his wife and little girl to  
the new home of his friend, M. Le-  
vine, on North Glendale avenue. Mr.  
Levine and Dr. Katz were former  
neighbors in Russia, they having liv-  
ed in the city of Moscow for several  
years.

It will be remembered by Evening  
News readers that the Katz family is  
the one which had such a thrilling  
experience getting out of Russia.  
Prior to the present Bolsheviks' rise  
to power in his native country Dr.  
Katz was one of the most prominent  
physicians and citizens of the Rus-  
sian metropolis, but since the advent  
of the Revolutionists he has been  
made penniless and had to flee from  
his country to escape starvation.

There are more than 1200 species  
of birds native of the United States.

turn same to Mrs. H. C. Smith, 111-A  
E. Broadway.

## HE WAS EXPECTED

Jane—Do you think Jack will  
steal another kiss?  
Joan—Well, my dear, they say a  
criminal always returns to the scene  
of his crime.

Need Of City Plunge  
Is Topic For Debate

The Parliamentary Section of the  
Tuesday Afternoon club, of which  
Mrs. H. Greenwalt is curator, held a  
most interesting meeting yesterday  
afternoon at the home of Miss Eva  
Daniels, 324 West Colorado street.  
The question under discussion was  
"That Glendale's Greatest Need Is a  
Swimming Pool." The affirmative  
side of the debate was taken by Miss  
Eva Daniels, who gave her views in  
poetry; Mrs. C. A. Redmond, whose  
views were given from the point of a  
mother of a 15-year-old boy, and  
Mrs. H. L. Baker. The negative side  
was discussed by Mrs. C. A. Brand-  
stater from the viewpoint of a  
nurse; Mrs. Verity and Mrs. Homer  
Lockwood also discussing other  
points against the question.

Many of the members who attend-  
ed as guests were among the most  
earnest debaters. A motion was car-  
ried that the question be amended  
to include playgrounds. Considera-  
tion of the question as amended was  
postponed until the next regular  
meeting, which will be held at the  
home of Mrs. C. A. Brandstater, 401  
West Wilson avenue.

At the close of the afternoon most  
elaborate refreshments were served.  
Beautiful pink roses were the key-  
note of decorations in all the rooms.

Reciprocity Luncheon  
Is Held For P. E. O.

Some time ago the Reciprocity bu-  
reau of the P. E. O. of Glendale of  
which Mrs. Eva J. Cunningham was  
president this past year, decided  
that a reciprocity luncheon at La  
Ramada would prove an enjoyable  
affair. The luncheon was held yester-  
day at 1:30 p. m., with seventy-  
two P. E. O.'s present from Chapter  
L, A. H. BA and C. J. of Glendale, and  
U of Burbank. Table decorations  
were carried out in the P. E. O. col-  
ors, yellow and white.

After a three-course luncheon  
speeches from three new state offi-  
cers were much enjoyed. Mrs. Lola  
P. Bennett of Orange, state pres-  
ident, greatly pleased her sisters by  
giving an original poem on the for-  
mation of the local chapters, their  
work and achievements. She also  
spoke on what the P. E. O. means.  
Mrs. Faith Story of Burbank, state  
corresponding secretary, spoke very  
earnestly on "Friends," and was fol-  
lowed by Mrs. Labelle Townsend of  
Los Angeles, state treasurer, who  
spoke on "Reciprocity." All of the  
speeches were very inspiring and  
helpful and greatly enjoyed. The  
program was closed with two de-  
lightful piano numbers by Mrs. Dor-  
othy Weller.

Federation Of Music  
Clubs Session Closed

The three-day convention of the  
California Federation of Music clubs  
closed last night at Trinity auditor-  
ium with the presentation of "Hia-  
watha's Wedding Feast."

The congress of American compos-  
ers and presentation of music works  
by residents and others took up the  
morning session. In the afternoon  
100 delegates and music-world nota-  
bles from Boston, New York, Can-  
ada and other points enjoyed an au-  
tomobile ride to various points of in-  
terest in and around Los Angeles.  
Mrs. R. W. Meeker was asked to lead  
the line of march to Glendale, where  
the party stopped for twenty min-  
utes at the Meeker ranch, 1320 East  
Colorado street. Here many of the  
guests had the pleasure of picking  
oranges and orange blossoms, some  
of them never having had the oppor-  
tunity of doing so before. At the  
close of the afternoon the party mot-  
ored to the home of Mrs. D. Mason,  
340 Lafayette Park Place, where a  
most delightful tea and reception  
was enjoyed.

Rev. W. L. H. Baker Of  
Australia Is Visitor

The Rev. W. L. H. Baker, who  
went to Australia twenty-seven years  
ago as a minister of the Seventh-day  
Adventist church, was a visitor at  
the Marion D. Learned home, 125  
North Jackson street, the first of this  
week. He returned to the United  
States to visit his son who is a med-  
ical student at the church medical  
school in Loma Linda.

## ALIAS SUMMONS

In the Justice's Court of Burbank  
Township, County of Los Angeles,  
State of California. H. M. Miller,  
Justice.

Barton Bros. Garage, Plaintiff, vs. Mrs.  
H. S. Mulliken, Defendant.

The People of the State of California  
Send Greeting to: Mrs. H. S. Mulliken,  
Defendant.

You are hereby directed to appear in  
an action brought against you by the  
above named plaintiff in the Justice's  
Court of Burbank Township, Los An-  
geles County, State of California, and to  
answer before the Justice at his office,  
114 East Broadway, Glendale, Califor-  
nia, in said Township, the complaint  
filed therein, within five days (exclusive  
of the day of service) after the ser-  
vice on you of this summons, if served  
within the Township in which this  
action is brought; or, if served out  
of said Township, but within said  
County, within ten days, or within  
twenty days if served elsewhere. And  
you are hereby notified that unless you  
so appear and answer said complaint,  
as above required, said plaintiff will  
cause your default to be entered and  
take judgment for any money or dam-  
ages demanded in the complaint, as  
arising upon contract, or will apply to  
the Court for relief demanded in the  
complaint, together with the costs of  
suit.

Given under my hand this 16th day  
of March, 1921.  
H. M. MILLER,  
Justice of the Peace of Burbank Town-  
ship, Los Angeles County, State of  
California.  
Mar. 17-24-21-Apr. 7-14-21-28-May 5-12-

## CERTIFICATE OF BUSINESS

Fictitious Firm Name  
The undersigned do hereby certify  
that we conduct a general cleaning,  
pressing and dyeing business at 221  
East Broadway, Glendale, California,  
under the fictitious firm name of  
HUBERT W. MCGUIRE, which firm  
is composed of the following persons,  
whose names and addresses are as fol-  
lows, to-wit:

RALPH E. MILES, 914 Randolph St.,  
Glendale, California.  
HUBERT W. MCGUIRE, 1536 Loraine  
St., Glendale, California.

Witness our hands this 27th day of  
April, 1921.

RALPH E. MILES,  
HUBERT W. MCGUIRE.

State of California, County of Los  
Angeles, ss.

On this 27th day of April, in the year  
nineteen hundred and twenty-one, be-  
fore me, James F. McBryde, a notary  
public in and for said County, residing  
therein, duly commissioned and sworn  
personally appeared Ralph E. Miles and  
Hubert W. McGuire, known to me to be  
the persons whose names are subscrib-  
ed to the within instrument and ac-  
knowledgeed to me that they executed  
the same.

shop always feels embarrassed and  
looks the part, but a woman in a  
men's clothing store never is embar-  
rassed.

## PLANS FOR SEWAGE DISPOSAL SYSTEM ARE DISCUSSED

CITY MANAGER GIVES MORE INFORMATION IN REGARD TO PROBLEMS HERE

(Continued from Page 1)  
fore, conditions are rapidly develop-  
ing in the main business center as re-  
gards sewage disposal that will no  
doubt give us trouble in the near  
future if not taken care of at once.  
Therefore it is planned to proceed  
immediately with the installation of  
a sewer system for six blocks in the  
main business center including three  
blocks on either side of Brand boule-  
vard north of Colorado street. It is  
planned that this system be con-  
structed as follows:

### Suggestions Are Made

First. Sewer mains shall be placed  
in this district at a depth suffi-  
cient to take care of sewage from  
basements.

Second. All pipes shall be of  
standard specifications for sewer  
pipes and of sufficient capacity to  
take care of the ultimate needs of  
the district.

Third. Sewers shall be laid as  
one continuous system just as if no  
temporary disposal was planned, so  
that ultimately the sewage of the  
district may be conveyed by this sys-  
tem to one point at the southwest  
corner of the district, namely, the in-  
tersection of Colorado and Orange  
streets, and from there taken to dis-  
posal works.

Fourth. Temporary disposal shall  
consist of units as follows:

Septic tank or settling basin of  
simple design, constructed very  
much in the manner of an ordinary  
cesspool with provision to carry the  
effluent therefrom to cesspool locat-  
ed not closer than thirty feet. Two  
cesspools to be constructed in con-  
nection with each septic tank or set-  
tling basin. Disposal units to be lo-  
cated on line of sewers at such inter-  
vals and locations as the volume of  
sewage to be cared for will require.  
Disposal units to be located directly  
adjacent to sewer mains and connect-  
ed to sewers so that overflow there-  
from, if any, will return to the sewer  
main and flow to next unit.

### Estimate of Cost

The cost of this improvement is es-  
timated to be \$25,000. Assessments  
will be on a basis of approximately  
\$4 per front foot.

About 20 per cent of the cost of  
this system will be for the disposal  
units. These, of course, may be  
abandoned some time in the future  
when general disposal system is in-  
stalled. The main portion of the im-  
provement, however, will be con-  
structed so as to form a part of the  
permanent sewage disposal system  
and will be adequate to take care of  
the district when it has reached its  
maximum growth. This should not  
be looked upon merely as a tempo-  
rary expedient for the time being. It  
will constitute a permanent invest-  
ment for the property holders within  
the district served thereby and will  
not have to be paid for a second  
time, neither will these property  
holders be called upon in the future  
to pay any part of like installations  
for any other portion of the city.

This system should not be looked  
upon as an experiment. There is  
nothing new or untried about it. It  
will solve the present difficulties in  
the business center by first, clarify-  
ing the sewage by removing a large  
portion of the solids and producing  
an effluent that will readily pene-  
trate through the underground grav-  
els, thus increasing the drainage ca-  
pacity of these gravels; second, the  
drainage area will be increased by  
locating the cesspools that will be  
constructed in connection with each  
disposal unit at a sufficient distance  
apart to enable each cesspool to uti-  
lize to the best advantage the drain-  
age area.

At present one of the main diffi-  
culties arises from the fact that cess-  
pools are located so close together  
that one interferes with the drain-  
age of the other; third, control of the sit-  
uation will be had by reason of the  
fact that it will be practically one  
unit permitting the adding of addi-  
tional disposal units at any time the  
existing disposal units prove insuffi-  
cient to care for the volume of sew-  
age; fourth, the fact that the entire  
system is connected and can event-  
ually be operated as one unit will  
permit later the establishment of a  
more complete purification and dis-  
posal plant at such time and location  
as future developments may war-  
rant.

### Plans Being Prepared

It would not seem that the owners  
of the valuable property included in  
this rapidly developing business sec-  
tion could afford not to proceed im-  
mediately with plans as above out-  
lined. These plans are being pre-  
pared and will be ready for legal  
proceedings within a few days. Peti-  
tions are being circulated in the  
district. We understand they are be-  
ing signed quite generally by inter-  
ested property holders.

As to sewage disposal for the Ver-  
dugo Canyon situation, definite  
progress is being made also. The  
people of that section have author-  
ized the issuance of \$50,000 of mu-  
nicipal district bonds with the un-  
derstanding that \$40,000 of that issue

## Local High School Will Contest Covina

After a week's lay-off the boys  
of the Glendale High school baseball  
team will tackle the fast Covina high  
nine tomorrow afternoon on the lo-  
cal diamond. After playing listless  
baseball and losing five out of their  
first six games the members of the  
squad suddenly became rejuvenated  
by some mysterious means, and have  
won their last two games. Both of  
the defeated teams were regarded as  
among the strongest in the Central  
league. South Pasadena having lost  
but one contest and Alhambra none  
prior to their beatings administered  
by Glendale. All this has caused the  
local players to feel quite proud of  
themselves and they are determined  
to win all of the remaining encoun-  
ters.

The team deserves considerable  
credit for their recent improvement  
and should be supported by a large  
crowd of rooters tomorrow. The  
game will be called at 3:45 o'clock,  
sharp.

## Trout Fishing Good At Big Bear, Report

F. P. Newport of the F. P. New-  
port company, Los Angeles, which is  
interested in local real estate, ac-  
companied by Dr. C. W. Taylor and  
Charles Phillips of Glendale, enjoyed  
four days at Big Bear lake trout  
fishing. They returned home Tues-  
day night with just about the limit,  
according to Dr. Taylor who says  
that trout are plentiful at Big Bear.

will be used for the construction of a  
trunk line that will extend through  
the entire district, carrying the sew-  
age to a location well beyond the wa-  
ter-bearing area, and the \$10,000  
will be used for the construction of  
a suitable sewage disposal plant in  
connection therewith. Laterals are  
to be constructed within the district  
that will connect with this trunk line  
which will be paid for by direct as-  
sessment on the property served.  
The disposal plant will be located  
several hundred feet south of the  
junction of Glendale avenue and Ver-  
dugo Road. The soil in this location  
is especially well adapted for dispo-  
sal of sewage effluent after it has  
been clarified by means of septic  
tank or settling basins. This meth-  
od can be employed successfully at  
that location to dispose of the sew-  
age of the Verdugo Canyon district  
until such time as a general sewer-  
age system may be installed.

It is planned, however, to take ad-  
vantage of the opportunity afforded  
in this connection to have construct-  
ed a complete sewage disposal unit  
on a small scale of the most modern  
design, one that will convert the sol-  
ids into fertilizer and the effluent  
into a product of value for irriga-  
tion; this to be done without creat-  
ing conditions that will be detrimen-  
tal to the immediate vicinity. In  
fact, the entire plant should be in-  
closed.

There is no doubt that modern  
methods and means are at hand to  
carry the purification of sewage to  
such a point that the elements there-  
of may be disposed of successfully as  
commercial products. And in connec-  
tion with the installation of a sew-  
age disposal system for the Verdugo  
Canyon district, a splendid opportu-  
nity is afforded to install a plant,  
even though it be of small capacity,  
of the most modern design, that will  
accomplish these results. Possibly  
the activated sludge plans should be  
used.

## VARIED PROGRAM TO BE PRESENTED AT FIRST CONCERT

COMMUNITY ENTERTAINMENT BY  
GLENDAL E MUSIC CLUB TO  
BE HELD ON FRIDAY

The first community night concert  
in which only local artists will take  
part in the program will be given by  
the Glendale Music club Friday, May  
6, as stated in a recent issue of The  
Evening News.

The solo artists who will take part  
in the evening's entertainment are  
Mrs. Catherine Shank, soprano; Mrs.  
Enona Hopkins, harpist, and Elia  
Faggioli, tenor, who will be assisted  
by Nevin Quintette, Madrigal Club  
and Girls' Glee Club of Glendale Union  
High school.

Members of the Glendale Music  
Club or clubs assisting on the pro-  
gram will be entitled to bring one  
guest gratis, a nominal charge being  
made for additional guests.

### Here Is Program

The program to be presented fol-  
lows:

Moon Drops Low.....(Cadman)  
Sweet, Sweet Lady.....(Spross)

(b) Fairy Piper.....(Brewer)  
(Mrs. Cole and Madrigal Club)  
Glendale Madrigal Club  
(Mrs. John A. Wright at the piano)  
(Mrs. Charles A. Parker, Director)  
Ushering and decorations are to  
be in charge of the members of the  
Junior Auxiliary of the Glendale  
Music Club.

## Girls' Tennis Team Loses Close Contest

The newly-organized girls' tennis  
team of the local high school played  
its initial match on Tuesday after-  
noon with the girls of the Alhambra  
high school, the latter nosing out  
the Glendale team by a score of 9  
to 8. The play took place on the lo-  
cal courts, a fair-sized crowd wit-  
nessing the contest.

As this was the girls' first tourna-  
ment their showing was exception-  
ally good, and with a little more prac-  
tice they will be a difficult quartet  
to beat. Those who took part in  
Tuesday's match were Kathleen  
Campbell, Edith Haggman, Frieda  
Potts and Marjorie Yarik.

## Glendale W. C. T. U. To Meet On Friday

The Glendale W. C. T. U., of which  
Mrs. Ruby J. Smart is president, will  
hold its regular meeting Friday of  
this week, May 6, at the home of  
Mrs. G. H. Rowe, 216 South Orange  
street. Reports of the convention  
and other interesting matters will  
be taken up.

## Six Candidates Will Be Initiated Tonight

An unusually interesting meeting  
of the I. O. O. F., of which R. M.  
McGee is noble grand, will be held  
tonight. There will be a class of  
six candidates initiated. Supper  
will also be served during the eve-  
ning. It is anticipated that a large  
number of visiting Odd Fellows will  
avail themselves of the opportunity  
of attending the local lodge meet-  
ing.

## Much Interest Shown In 'Little Princess'

"The Little Princess" will be pre-  
sented by the pupils of the Pearl  
Keller school tomorrow night at the  
Palace Grand theatre. It is some-  
thing out of the ordinary in the way  
of theatrical and dramatic presenta-  
tions in this city. The rehearsals  
have been splendid and give promise  
of a most satisfactory presentation.  
The cast is composed almost en-  
tirely of children, and all but one,  
Miss Cecilia Mae Fischer, of Bur-  
bank, are residents of Glendale. The  
principal characters of the play will  
be played by Cecilia Mae Fischer,  
Doris Packer, Marie Hearnshaw,  
Elizabeth Turner, Evelyn Hunt and  
Grace Yarbrough. Others in the cast  
include Glen Hitchcock, Beatrice  
Turner, Dorothy Dutton who will  
dance, Ethelwyne Kent in recita-  
tions, Shirley Hitchcock in singing,  
Julia Pelley dancing, Leona Hunt,  
Marjorie Hart, Joseph Griffin, A. J.  
Van Wie, Phyllis Adams, Clara  
Clark, Blossom Moore, Ann Eliza-  
beth Wilkinson, Howard Kent, Billy  
Justema, Gertrude Champlain and  
P. A. Brattain. The monkey, as

played by himself, is loaned by Uni-  
versal City. This will be a great  
feature for the children.  
Miss Keller's pupils have made  
themselves acquainted with the peo-  
ple of Glendale with their splendid  
dancing and vaudeville acts at vari-  
ous entertainment given in this city,  
and those acquainted with the thor-  
oughness of her work and training  
will know a treat is in store for  
them tomorrow night.

**Glendale Research Hospital, Just Completed**

Here is a picture of the Glendale Research Hospital, which will open its doors next Sunday, when a public reception, including exercises, will take place. The hospital has a perfect sanitary equipment, every care will be afforded the patient and the location is admirable.

**RESEARCH HOSPITAL  
FORMAL OPENING  
NEXT SUNDAY**

DIRECTORS INVITE PUBLIC TO  
ATTEND CEREMONIES AND  
INSPECT STRUCTURE

(Continued From Page 1.)  
of their cases, and no doubt will appreciate it.

It deserves further recognition by the citizenry of Glendale, because it is their own. It is owned by over 200 of them, and its future expansion and creditable record will be in the hands of the people of Glendale. As Glendale as a community has done nothing as yet by halves, and being public-spirited and noted as such, all its undertakings have been and will be unitedly appreciated, the hospital management points out.

**Graduate Nurses**  
A staff of excellent graduate nurses under the leadership of Miss Grace McKinley has been selected. Ample provision for their comfort and welfare will be found in the fine two-story residence on the parkway selected as their abode. Well-lighted and equipped dining rooms, laundry and kitchens are in the northern annex to the main building. The cost of the hospital was \$100,000.

**Nurses' Dormitory, Glendale Research Hospital**

This is a picture of the Glendale Research Hospital nurses' dormitory. Miss Grace McKinley has charge of the selected staff of nurses. Every provision for the comfort of the nurses has been made and their two-story residence is exceedingly home-like.

000. Roy L. Kent Company were the designers and builders. The hospital is located in the northeast section of the city at an altitude of 700 feet. The main building faces south over Piedmont park and is approached over a paved circle driveway from Lexington Drive.

The plant consists of three buildings. The central building, in the shape of the letter E, is one-story high, of Spanish design, 195 feet long and 94 feet deep. Hollow tile is used in the exterior walls and is covered with a white waterproof stucco finish.

**Light and Air**  
On each side of the administration section or center portion of the building is a long, wide, open veranda, having pergolas of eucalyptus logs. These verandas are immediately adjoining the south guest rooms and are accessible through wide French doors.

All windows are large and of the casement type and are arranged in such a manner as to eliminate any draught over the beds. All wood has been eliminated from the interior, with the exceptions of the door jambs and built-in cabinets and shelving.

One of the features of construction is that all casings and trimmings are of metal, the rooms are finished in smooth plaster, with no projections to catch dust. The floors of the patients' rooms are of cement, while the bathrooms have composition floors.

A modern signal and intercommunicating telephone system is installed.

The utility building, housing the dining rooms, kitchen and a well-equipped laundry, is located in the rear of the main building.

**Operating Rooms**

The administration section, in the central portion of the main building, includes a large lobby, general offices, examination and treatment rooms, pharmacy, and supply rooms. The operation department has received the careful attention of the founders, and consists of two large, well-lighted operating-rooms with tiled floors. There is also a third smaller room for minor operations.

The sterilizing room is equipped with the most modern type of American sterilizer. Adjacent to the surgical quarters are the clinical and pathological laboratories, thoroughly appointed. The X-ray room is provided with a thorough equipment both for X-ray investigation and the most exact treatment.

This department will be under the management of Dr. J. L. Avey, one of the expert radiographers of the state.

**Board of Directors**  
The board of directors include Spencer Robinson, president; A. L. Baird, secretary and treasurer; Roy L. Kent and Herman Nelson.

Dr. J. A. McNaughton will be the resident physician.

Miss Grace McKinley of San Francisco, as superintendent of nurses, has a long and creditable record, part of which includes services at the Los Angeles County hospital, the French hospital in San Francisco and the Students' Guild hospital at Stanford university.

**Directors Met Last Night**

At a meeting of the board of directors of the Glendale Research hospital here last night, Dr. A. E. W. Yale of Burbank, Dr. John L. Avey of Los Angeles, Dr. A. W. Teel of Los Angeles and Glendale, Dr. T. C. Young of Glendale and Dr. Cox of Long Beach, all of whom were present, were named as members of the advisory board for that institution.

Decorating of the interior of the hospital for its formal opening Sunday afternoon has been left to Miss Ruth Byram of 228 North Glendale avenue, who is now making arrangements for her part of the program.

**CINDERELLA'S TWIN  
SPECIAL FEATURE  
PALACE GRAND**

VIOLA DANA IN LEADING ROLE  
GIVES BOTH HUMOR AND  
ROMANCE TO FILM

"Cinderella's Twin," the Metro special production which comes to the Palace Grand theatre today as the feature attraction, has the double distinction of having been written by the well known Luther Reed and scenariorized by him.

It has been described by a critic who saw it as "a wonderful picture having the Cinderella motive with a satisfying seasoning of lambent humor, whimsicality, charm, and thrilling romance."

Viola Dana has the stellar role of the little queen of the kitchen who accidentally finds herself gazing on the Prince Charming of her day dreams. The scullery maid is whisked into a dazzling party by a gang of notorious jewel thieves, as their catpaw. She drops a slipper containing the key to a safe and brings on the catastrophe.

**Fit Slipper to Spill**

As in the tale of the original Cinderella, so in the screen romance, it is necessary to fit the slipper to just that fraction of hair that permits the wearer to spill it into the path of the oncoming Prince Charming at the psychological moment. This is one of the climaxes of the picture.

Added to the regular Kinogram News Views, Roscoe (Fatty) Arbuckle is to be seen in a new edition of one of his best comedies, "His Wedding Night." One can't help laughing at this great fun film while the orchestra numbers are especially good and include "Echoes from the Metropolitan Opera House," "Where Do the Mosquitoes Go in the Winter Time" and the "Wang Wang Blues."

Tomorrow, "The Little Princess," a Pearl Keller presentation by local children hold the boards at the popular playhouse.

Copperas is an iron compound and contains no copper.

**Knit Underwear**

Our knit underwear section is showing a large assortment of garments for warm weather wear. Included in these offerings you will find such popular brands as Kayser, Lawrence, Fit-Rite, Valora, etc. Vests are featured in bodice, decolette and French tubular top at

**Kenneth White Will  
Soon Quit Sick Bed**

Kenneth White, son of Mr. and Mrs. John Robert White of 347 North Orange street, who has been confined to his bed for months, celebrated his thirteenth birthday yesterday by standing up for one moment. He was certainly a happy lad to think that once again he can be up and about with his brothers and playmate within a short time likely.

**CALLED HER BLUFF**

"For goodness' sake, Minnie, whose socks are you darning?" "They belong to Willie Sharp. When I refused him I said I'd be a sister to him, and he took me at my word."

The average whale yields 2000 gallons of oil.

**Two Of Original Cast  
In 'Way Down East'**

Although "Way Down East" was produced as a play some years ago, D. W. Griffith was able to secure the services of two members of the original cast when he set out to make the motion picture version which will be seen at the Glendale Theatre Sunday and Monday, May 8 and 9.

These players are Burr McIntosh, noted as an actor and lecturer, and Miss Vivian Ogden. Mr. McIntosh interprets for the screen the role he created, that of the stern Squire Bartlett, while Miss Ogden appears as the gossiping Martha Perkins.

It has been estimated that a single pair of sparrows, with their young, will consume more than 3000 insects a week.

**"That Something" is  
MANAGEMENT**

"That something"—that is, the final factor in making an Oil Company pay its stockholders DIVIDENDS—lies in the hands of the men who head the Company! Without efficient and experienced management no properties, however excellent, can yield you their fullest measure of profit!

Then—in starting to make Huntington Beach return YOU oil money—think seriously about MANAGEMENT!

**These Are Men You Know**

Or, if you are not yourself acquainted with the standing and reputation of Metcalf-Hinckley Oil Company's active heads, then your banker knows them. When such men as John N. Metcalf, with six years of practical oil experience and SUCCESS to his credit; Ralph L. Hinckley, president of the Hinckley-Beach Canning Corporation, Bastian Heater

Co., etc.; D. W. Wickersham, president Interstate Oil Co. and director of Lake View No. 2 Oil Co.; D. H. Smith, Ray Mitchell, A. W. Bench, Geo. L. Eastman, Guy B. Hinckley and A. E. Pomeroy—when such men as these offer you a chance to share in the company which they have organized and started toward success—that's something to think about.

**Metcalf-Hinckley Oil**

Properties adjoining Standard's \$250,000 lease—adjoining Union's recent 90-acre purchase—properties on the rich north slope of the Huntington Beach field, and just south of the apex in the proven belt—which total more than 80 acres!

The announced policy of drilling only on proven ground! Two things that, added to management, spell SUCCESS! Get in now—there's only a limited offering at 10c per share. Send the coupon if you cannot make a personal call at our office.
